

Future Of Dairying Told To Lions Club

Luther Jones gave a short talk on the "future of dairying in the Glades area" at the regular meeting of the South Bay Lions Club Thursday Oct. 23. He also discussed ways in which

the publicity chairman could better publicize the workings of the Lions Club. A vote of appreciation was tendered to Frank Willis, South Bay Scout master, for the aid the scouts gave in collecting old eye glasses for India. A brief report of the donations on the steer to be given away at the Halloween Carnival, Nov. 1 was announced.

WILBUR C. KING

Fellow Citizens of faithful service on your Railroad and Public Utilities Commission, you have honored me with the Democratic Nomination for re-election. I deeply appreciate this honor and want to thank all of you who helped me so much.

In the General Election we will win a great Democratic victory in Florida if all loyal Democrats go to the polls and vote for the party's nominees.

I will be grateful for your continued support and your vote on November 4.

Sincerely,

WILBUR C. KING

A SOUTHERN INSTITUTION

OF the South
BY the South
FOR the South

This Company is a Southern institution in all that it does.

Of the South—because two-thirds of the Company's dividends are paid to more than 14,000 of its stockholders living in the five Southern States we serve.

By the South—because our officers, directors, division managers and the majority of our personnel, are all Southern men.

For the South—because all of our plants, terminals, service stations and other properties are located in the five Southern states shown on the map above.

We appreciate your confidence, which has rewarded our products with sales leadership. It is reflected by our confidence in the future of the South.

During 1957, for instance, our expenditures in Alabama, Florida, Georgia, Kentucky and Mississippi, for additional real estate, buildings and facilities... enlargement, repair and maintenance of present plants and equipment... and all expenses of operation, including payrolls, licenses and taxes (excluding federal income tax)—amounted to over \$50,000,000. We spend our money where we make it, in the South.

Why Read Bible? Is Guild Program

A very thought-provoking article "Why Read the Bible?" is the program presented at the meeting of St. Elizabeth's Guild of St. John Apostolic Episcopal Church, held at the home of Mrs. W. A. Wooten, Jr. Members participating were Mrs. Dick Townsend, Mrs. Ned Ayres, Jim Maymoy, Mrs. David Baile and Mrs. George Pierce.

Due to the resignation of Mrs. A. B. DeGraw, Mrs. Tom Bregger was elected president.

Tentative plans for the annual turkey dinner to be held November 20 in conjunction with the bazaar were announced and committees appointed.

Mrs. W. D. Matthews, Missions chairman, announced the first mission project of the year would be to send a box of clothing to St. Mark's Mission in Nicaragua. Clean white clothing was especially requested. Announcements were made for the meeting of the Women's Auxiliary of the Palm Beach Diocese November 12 at St. Andrew's Episcopal Church in Lake Worth.

Refreshments were served by the hostesses, Mrs. Barnes Smith, Mrs. Tom Bregger and Mrs. Wooten. Seventeen members were present.

Churches of Christ Scientist

The ever-availability of divine, impartial reason and justice will be explained at Christian Science services on Sunday.

One of the selections from the Bible in the Lesson-Sermon entitled "Evaluating Punishment" is this from Proverbs: "Forsake the foolish, and live; and go in the way of understanding."

Why Read Bible?

Passages to be read from "Solomon's Search for the Key to the Scriptures" by Mary Baker Eddy will include the following: (6:18): "To suppose that God forgives or punishes sin according to His mercy is to suppose that it is misunderstanding Love and to make prayer the safety-valve for wrong-doing."

Golden Text

From Psalms (130:7): "Let Israel hope in the Lord: for with the Lord there is mercy, and with him is plentiful redemption."

Loyalty S. S. Class Has 32 For Supper

Thirty-two members and their guests of the Loyalty Sunday School Class of Community Methodist Church enjoyed a potluck supper at Jameson Hall Thursday night.

Following the supper, Ralph Kipper, teacher of the class showed many interesting and beautiful colored slides taken in Colombia, South America, Canada and South America. Mrs. U. W. Malcolm announced a mission study course to be held Nov. 18 featuring five suits of clothing to boys at the Baptist Children's Home in Lakeland and the sponsor of the Jane Evans Circle to the Sunbeams with Mrs. S. M. McAllister as chairman.

Presbyterian Church Sunday Sermon Topics

"WHAT HAPPENS WHEN WE COME TO CHRIST?" (Mt. 11:29-30) is the sermon topic of Dr. Leighton Scott at the Everglades Presbyterian Church Sunday morning eleven o'clock.

THE POSSIBILITIES OF A FEW CATEGORIES OF CHRISTIANITY

(Mt. 18:20) is the Bible study subject for Sunday, seven o'clock.

New WMU Circle Chairman Named

On recommendation of the Executive Board of the Women's Missionary Union of the First Baptist Church, Mrs. Wilford Markham was named chairman of the Antonina Canzoni Circle at the meeting of the WMU Tuesday night. The circle which is organizing will include young women and young married women. Also recommended by the board was a \$2.00 donation to be sent to the Burney Gift on intensive student retreat.

Announcements were made of the

the Ila Darden Circle sending five suits of clothing to boys at the Baptist Children's Home in Lakeland and the sponsor of the Jane Evans Circle to the Sunbeams with Mrs. S. M. McAllister as chairman.

Mrs. U. W. Malcolm announced

a mission study course to be held Nov. 18 featuring five suits of clothing to boys at the Baptist Children's Home in Lakeland and the sponsor of the Jane Evans Circle to the Sunbeams with Mrs. S. M. McAllister as chairman.

Mrs. E. M. Weaver served

refreshments to the members of the Women's Society of the First Baptist Church, Thursday, October 30.

Over 300 Attend Homecoming Day

Approximately 300 attended the Annual Homecoming Sunday at First Baptist Church, Sunday, October 26. The church was filled with people who came to celebrate the homecoming of the church members who have been away from home for a long time.

Notice

The First Missionary Baptist Church of Glades has moved to a new place of worship and is having regular services in a large tent, located two blocks from the old church.

Check With The Chamber If You Don't Know

The Belle Glade Chamber of Commerce has become a member of the National Better Business Bureau, thus making it possible for the Chamber to better serve the entire community.

Services Held Monday For Laurel Ashley

Services for Laurel Robin Ashley, one year old daughter of Mr. and Mrs. Harvey Ashley, were held Monday, October 27, at the First Baptist Church, Belle Glade with Elder J. H. Eggleston officiating.

Barbecue Dinner Nov. 2 At Post 20 Legion Hall

A chicken and ribs barbecue held by Everglades American Legion Post 20 Sunday, Nov. 2 will be climaxed by giving away a 16-foot motor boat, according to Commander Bill Eggleston.

Station Members Attend Horticultural Meeting

Ten experts from Everglades Experiment Station are attending the 71st annual meeting of the Florida State Horticultural Society at Clearwater, Oct. 29-31.

HOW CHRISTIAN SCIENCE HEALS

Most of those members attending from Belle Glade will present scientific papers at the meeting, Forsee said. Attending from Belle Glade are E. V. L. Guzman, E. A. Wolf, E. D. Harris, W. G. Genuing, Y. Thayer, E. J. Vanhook, J. N. Simmons, D. S. Harrison, H. W. Burdine and Dr. Forsee.

FOOTSTEPS OUT OF GRIEF

Nothing splendid has ever been achieved except by those who dared begin that something inside them was superior to circumstance.

Presbyterians Elect New Deacons

Sunday morning at the Everglades Presbyterian Church the congregation held a meeting to elect the 1959 class of deacons. They were Sam Cushman, E. F. Allen, Harold Brough and R. W. Banks. Installation will take place before the new year begins.

The congregation also instructed

the deacons to purchase ten additional pews for the sanctuary, as the present seating capacity is inadequate.

The Presbytery of the Everglades met at the Granada Presbyterian Church, Coral Gables,

Florida, Sunday, October 26. Elder and Dr. Scott representing the local Presbyterian Church.

Belle Glade High School News

Phys. Ed. Classes For Boys-Girls

Under Miss Cynthia Slater's supervision the girls taking Phys. Ed. are playing volleyball or scatter hockey. In order that each girl may have an equal chance to play both games, the groups of girls play volleyball one week and scatter hockey the next.

Upon arriving at the Phys. Ed. class, the girls go directly to the locker room and "dress out," all in white. Then they line up in squads ranging from six to 12 girls in a squad, and roll is taken.

They are then given directions on what to do. Then they engage in outside or inside activities.

The boys Phys. Ed. classes are much the same except that they are not required to dress in any one color, just in shorts. Each boy lines up under a number while Coach Ouellette checks the roll.

At present the boys are using the athletic field where they participate in touch football, volleyball and horseshoes. The gym is shared by both classes rotating in six-weeks periods.

F. F. A. Cattle Project

One of the main projects of the Future Farmers of America chapter this year is the showing of cattle at the county fair.

Mr. Lovell, advisor for the F. F. A., and a few F. F. A. members have been working on this project since last April.

For the past few weeks they have been halter-breaking several calves. The next step is to get them gentle enough to handle and train for showing.

Mr. Lovell has high hopes for the calves when fair time arrives.

—Thil Pearce

BGHS Annual Now Ready For Sale Staff Announces

The selling of advertisements to local merchants had a successful beginning Friday, Oct. 17, and the subscriptions to the annual went on sale Monday, Oct. 27.

You can pay your deposit of \$1.00 to Sherry Mixson, Ed Lively, Marilyn Matthews, Sue Clarke, Jane Betts or Linda Close.

The attitude of the staff as a whole promises a hard working group determined to do its best to make this annual one of the best BGHS has ever had.

It will include individual photos of the 7th and 8th graders.

The staff Editor-in-Chief Arvey Walker; business manager Sherry Mixson, assisted by Marilyn Matthews, Ed Lively, photo graphic editor Frances Fontaine with assistants Karen Vadaz and Billy Forster; feature editor Susie Hemphill with assistants Wanda Matthews and Linda Close; art co-editors Larry Nash and Genie Crichtfield.

Others include sports editors Jerry Edwards and Paula Patterson; copy editor Arvey Bedale with assistants Linda Connell, Jane Betts and Sue Clarke. Advisors are Wayne Fortenberry and Russell Henegar.

—Sue Clarke

Science Class Continues Study

The 7th grade Science classes, taught by Miss Kay Fears and Mr. Raymond Dyer, are now starting the second six weeks of study. In the first six weeks of school, we covered the unit of Discovery in Daily Living.

In this unit we learned about yeast and how it rises, the Microscope, and even looked at slides under the microscope. We also studied more animals, different kinds of cells, and all about dry cells.

In our class we have a terrarium with a load and some small plants which we observed each day. In the second six weeks we are to cover the unit, Your Body. In this unit we will be studying the nervous system, muscles and many other parts of the body.

Science is interesting and we hope to learn much more during this school term.

—Martha Hesth

Beta Club Has New Members

The Beta Club meeting was called to vote on eligible students for membership Oct. 23, and all eligible students were accepted by the members of the club.

A program was presented for the new members explaining obligations, rules, services and benefits to members. Participating in this program were Neal Livingston, Karen Vadaz, Linda Close, Frances Fontaine and Susie Hemphill. All new members were enthusiastic about joining the club.

Installation is being planned for the month of November. It will be in place of a regular school assembly.

—Frances Fontaine

What Is The Proper Attitude Toward School?

Probably the most important factor in the success or failure of a student is his attitude toward his studies.

His teachers and his fellows. By "attitude" we mean the mood, the feeling, the frame of mind which one takes toward people and things.

First of all it is important to adapt the proper attitude toward school itself. Do we think of school as a privilege or a chore? Do we regard it as an opportunity for education or just as a misfortune of a kind?

If we attend school with the happy and healthy attitude that is an opportunity and a privilege of a free people, our chances of success are greater.

What kind of attitude do we take toward our teachers? Do we regard them as educated people dedicated to the task of guiding and helping the younger generation, or do we consider them as wardens whose primary purpose in life is to torture the adolescent mind with tedious facts and figures?

The student who takes the proper attitude toward his teachers will find them to be friendly and helpful people we can't very well do without.

What do we think of our fellow students? Do we abhor the better students and admire the trouble-makers? Do we think group which tries to see how much they can avoid doing or do we seek out those who do as much as they can?

Our school days can and very often are the happiest days of our lives. The friendships we establish could be worthwhile and enduring. The foundations which we build at school for an smart to be dumb? Do we pick our friends at school from the unknown future could be more secure if we take the proper attitude, if we try very hard to guide our thinking into the right channels. As Shakespeare said: "There is nothing in the world either good or bad, but thinking makes it so."

—Linda Close

Back Of The Week

Left Halfback John David Chamblie has been chosen by the news staff as "Back of the Week." He is a junior, 16 years of age, 5' 8" tall and weighs 142 pounds. He is the son of Mrs. Eunice Chamblie and the late J. H. Chamblie of Belle Glade.

This is John's second year on the varsity, having been the Rams' leading ground-gainer last year, and this season he has scored six touchdowns for 36 points.

Coach Jim Maynor says of him, "He is a natural athlete. Although he is quiet and serious he goes all out on both offense and defense. With just a little more height and weight he would be excellent college prospect."

John is also a mainstay on the track team where he is a member of the relay teams, and sprinting events. He is also a fine potential basketball player, but his first love is football. He is a credit to his school, his team and his family.

Faculty Glimpes

Coach Ouellette is well on his way toward getting that girls' basketball team. Mrs. Ouellette presented him with another fine girl last Friday.

Miss Olsen seems to be enjoying Lake Ouchiblock tremendously. What kind of fish she's after?

No doubt those fishing poles attached to Mr. Lovell's truck are there for the purpose of testing the quality of fish bait which some of his students are raising as a project.

Rumor has it that Miss Kathleen Rogers has become quite proficient in the use of a hula hoop!

Did anyone get the name of the lady who accompanied Mr. Brewster to the game last week?

Rams Beaten 28-12 By Green Wave

Belle Glade's Golden Rams turned in a creditable account of themselves, losing to one of the state's toughest grid iron squads as they bowed to Ft. Myers 28-12.

The game was closer than the score would indicate since the Green Wave added their bonus points in the closing minutes of the game.

The Rams kicked to Ft. Myers fumbled on their 20 two plays later. Belle Glade took over and John Chamblie moved down to the 10 for a first down.

Roger Walker got to the five. Charles Lutz scored but the kick, Ft. Myers' Fullback Chard was hit hard by Davis and Buss as he attempted to pass. Lively intercepted and got to the one before being stopped. Walker scored and again failed the point-after try.

In the second stanza Ft. Myers went 70 yards to score with 180 lb. Chard and 215 lb. Fullback Dallandro alternating the runs. The extra point was good and the quarter ended 12-7.

The home got seven more markers in the third quarter after a Ram fumble on their fourth 30. Chard and Dallandro alternated again.

Early in the last quarter Ft. Myers quick-kicked, the Rams fumbled and Ft. Myers had the ball on the Ram three. Dallandro scored and Moore added the extra point. With five minutes left Chard scored to climax a long drive then made the extra point.

The Rams had two drive stopped in the last quarter, one on Ft. Myers 20, another one on Ft. Myers 29.

Lineman Of The Week

Photo by Averill. William Browder "Butch" Buss has been singled out as the Golden Ram's lineman of the week. Butch is a junior, 17 years old, weighs 155 pounds and is 5' 8" tall. The son of Mr. Russell Buss of Belle Glade, this is his second year as a letterman at Left Guard position.

Classified by Coach Maynor as his "best interior lineman," Butch plays particularly well on defense, and his coaches predict that he will be one of the better, if not the best, linemen in the conference next year.

Butch will probably be a three-letter man before he lays away the blue and gold of Belle Glade and the Rams' leading hitter on the baseball team last year. He performs equally well as an infielder, pitcher and catcher.

Jr. Red Cross Meeting

Five Belle Glade High School students attended a Junior Red Cross training center at Boca Raton last Thursday and Friday. They studied Red Cross history, community recreation and health, water safety, fund raising, disaster procedure and Red Cross counseling.

The training center was climaxed by a splash party and banquet attended by Linda Goff, Jo Berryhill, Cathie Clements, Phillip Marshall and Martha Davidson, counselor.

Eligibility For Relief Asked For Those Omitted In Recent Assessment

The county commission, which for some time has been seeking a change in a State Welfare Board regulation prohibiting aid to residents whose homes are valued at more than \$5,000, was joined in the action this week by James Owens, county tax assessor.

Owens called the state ruling unfair as applied to Palm Beach County where assessments this

year were set by Owens at 100 percent cash value. He said in the past most property had been assessed a 25 percent of its value but that a persons need for aid did not change just because the value of his property had been increased.

Commissioner Ben Sundry sponsored a motion to a resolution calling on the Governor and the State Welfare Board to amend the ruling to allow in cases where residents have been receiving aid in the past.

Vote NO DEFEAT CRIME AGAINST NO. 3 - NOVEMBER 4

VOTE

Where Does Your Red Cross Dollar Go?

DICK MORRIS, Director of first aid and water safety, Palm Beach County Chapter, American Red Cross, is assisted by Col. Ellis Altman, Director of Civil Defense, Palm Beach County, (on ground) and Richard Bjurberg, chapter manager. The Negro woman in the photo is one of the many who received aid in the tornado-torn area at Pahokee. Aid in the form of food, clothing, furniture and shelter has been given those in need of it as a result of the Oct. 13 storm.

Justice District's Fate (Continued from Page One) Monday in January, 1961, (Chapter 57-1693 Acts of 1957, Referendum Election).

In addition amendment one is proposed amendment on the method of amending the constitution. This amendment has been called the "daisy chain" amendment or interlocking amendment. It would permit legislators to put a revised constitution back on the ballot in which each amendment would be interlocked with the whole, so that a vote on one amendment pro or con would, in effect, be a vote yes or no on the whole.

Incidentally, the Florida Supreme Court ruled that revision in this method wasn't legal and said a constitutional convention only could amend the present constitution.

Last, the second amendment to be decided as "A proposed amendment of Article V of the Constitution of the State of Florida by adding a section there to providing for abolishing the office of County Solicitor in Hillsborough County, transferring the duties thereof to the State Attorney of the 13th Judicial Circuit, and other matters relating thereto."

Assistance Agencies Complimented On Prompt Work In Pahokee Tornado

Ellis Altman, county civil defense director, reported this week that his organization functioned "very satisfactorily" during a recent tornado strike at Pahokee.

Altman, in a report to the county commission, amended the

Civil Air Patrol, American Legion, Highway Patrol, Sheriff's Department and the Red Cross, all of them on the job within an hour after the storm struck.

He said also that Federal representatives were sent to the scene and that some Federal aid is being sought in replacement of dwelling planes destroyed in the storm.

Commissioner Paul Rardin, Canal Point, told the board "at the scene of the tornado, commendation for every agency which took part in the operation."

The commission voted to write letters of commendation to agencies which shared in work at the scene of the tornado.
